INVITATION FOR PRE-QUALIFICATION OF CONTRACTORS

NATION WIDE TELEMEDICINE PROJECT

The National Space Research and Development Agency (NASRDA) invites submission for pre-qualification of reputable companies with relevant experience in the area of satellite communications and Telemedicine.

INTRODUCTION

NASRDA wishes to embark on Phase II of the pilot Project on Telemedicine. The phase I Project entails linking six (6) fixed primary health care centers and one (1) mobile primary health care centre to the University College Hospital, Ibadan and the University of Maiduguri Teaching Hospital via Satellite for operation of basic telemedicine services such as general medical examination, dermatology, ophthalmology and ear, nose & throat (ENT) including video conferencing. This has been successfully completed.

SCOPE OF WORKS

The Phase II shall entail the following:

- ❖ Provision, Design and Integration of Communication and Telemedicine Equipment for mobile primary health care centre (Vehicular mobile clinic)
- ❖ Provision, Design and Integration of Communication and Telemedicine Equipment for Boathouse primary health care (Boathouse clinic for riverine areas of the Niger Delta)
- ❖ Provision of a Fixed Remote Centre (Clearing House in Abuja)
- ❖ Provision of Space segment/services.
- ❖ Provision of Consultancy services.
- ❖ Provision of Telemedicine Software.

PRE-QUALIFICATION

Interested and reputable companies are therefore required to submit for pre-qualification the following information with suitable evidence of compliance

- Evidence of incorporation with the Cooperate Affairs Commission in Nigeria
- Company profile including details of key management and technical personnel
- Evidence of financial capability
- Reference letter from a reputable Bank
- Evidence of previous experience in similar projects
- Evidence of partnership with relevant VSAT system manufacturer
- Evidence of partnership with reputable telemedicine equipment manufacturer
- Evidence of local content /partnership with reputable vehicle & boat assembly plant
- Evidence of registration with the Agency

Pre-qualification documents should be sealed marked at the Top Left Corner **‘TENDER FOR PRE-QUALIFICATION AS CONTRACTOR’** stating the job title. The Documents should reach the Director-General/CEO, NASRDA, Olusegun Obasanjo Space Centre, Pyakasa Junction Airport Road, Lubge Abuja, within four (4) weeks from the date of this publication.
